Dear Volunteer

Thank you for replying to our recent community survey and for kindly expressing an interest in getting involved with our new Church Renovation Project Team.

The first meeting of this group has been scheduled for **7pm on Thursday 19th March 2026** at All Saints' Church, Walsoken. We really hope you can attend.

There will be no hard fixed agenda, and the idea would be to introduce members to each other in the first instance, to introduce the terms of reference to the group and identify possible roles and to receive questions and suggestions. We would like to use this first session to also reflect in greater detail on our plans for the renovation project and how we may work together to renovate and improve the church while engaging proactively with the community.

I realise that the date may not work for everyone so will fully understand if you are unable to attend nevertheless, I think it would be a good idea to get things moving and I do hope you will be able to join us. We intend to create a mailing list to provide updates after this meeting and throughout the project, do let us know whether you would like to receive these updates.

Please let me know if you are able or unable to attend.

I look forward to hearing from you.

Best wishes
