"Roof leaks"

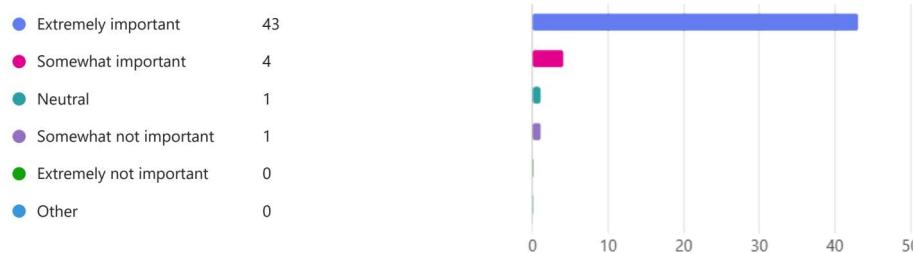

...

6 respondents (22%) answered Leaking for this question.

west door
internal decorating
accessibility for disabled
Building condition
area and more space
cold
Leaking
Extreme cold
attention
church from a building
droppings on pews
Lack
eventually affect
water leaks
bell tower
negatives to this church
roof leaks
kitchen area
number of issues

6. On a scale of 1-10 please indicate how strongly you agree with the following statement: "**All Saints is an important building, and should be preserved, repaired and improved.**"

7. All Saints Church is a Grade I listed building, is listed on the Historic England Heritage at Risk Register, and described as 'in need of urgent repairs.' As someone who values All Saints – whether for worship, community events, family occasions, or simply as part of our local heritage – how important do you feel these repairs are to you and to the wider community?

8. A project group is being established to help the Parochial Church Council apply for grants, engage with its community and deliver this project. We are looking for people from across our community to get involved and show their support. If you would like to get involved please write your name and email address below:
